

HOW TO UPLOAD YOUR PHOTOS TO SOCIAL MEDIA

Uploading a Photo on Instagram

Identify a CAPTAIN Cadre member in your group that already has the Instagram app installed. If nobody in your group has the Instagram app, go to the app store and search and download Instagram. If you do not already have an account, you will need to create one.

If he or she does not already follow "captain_ebps", search for "captain_ebps" and select "Follow".

Take a photo on that CAPTAIN Cadre member's phone.

From the Instagram app, select and upload the photobooth photo of your choice.

Select the line that indicates "Tag People" in Instagram and type in "captain_ebps"

Uploading a Photo on Twitter

Identify a CAPTAIN Cadre member in your group that already has the Twitter app installed. If nobody in your group has the Instagram app, go to the app store and search and download Twitter. If you do not already have an account, you will need to create one.

Take a photo on that CAPTAIN Cadre member's phone.

If he or she does not already follow "@captain_ebps", search for "Captain EBPs" and then select "@captain_ebps"

From the Twitter app, touch the icon that shows a "+" and a feather  and look for the photo icon  then select and upload the photobooth photo of your choice (up to 4 at one time)

In the area to type, enter "@captain_ebps" and this will "tag" the Captain EBPs page.

Uploading a Photo on Facebook

Identify a CAPTAIN Cadre member in your group that already has the Facebook app installed. If nobody in your group has the Instagram app, go to the app store and search and download Facebook. If you do not already have an account, you will need to create one.

Take a photo on that CAPTAIN Cadre member's phone.

If he or she does not already follow Captain, search for "Captain" and then select Captain 

From the Facebook app, in the area to write your post, enter "@captain_ebps" and this will "tag" the Captain EBPs page.

Select the "Photo/Video"  icon and select the photobooth photo of your choice.
